

## RECREATION NEWS

**BASEBALL SEASON** - The summer baseball season is just around the corner. Sign-ups will be in June. Watch for the announcements on the sandwich boards and check the *Charlestown Recreation Department Facebook Page* for the dates. Please note the Coaches are there to help teach your children the skills of baseball and do not have time to supervise other children. So please do not leave other children unattended on the fields. The signup fees are \$75.00 per child. Please go to the town website [www.charlestown-nh.gov](http://www.charlestown-nh.gov) under the rec tab download the sign up form and drop off at the selectman's office with the fee.

**PATCH PARK** - Patch Park is once again open for the summer. Please enjoy the space for family fun, games, and picnics by the water. Before it could open, there had to be some cleanup due to vandalism over the winter. For example: the door handle to the snack shack was shattered and the toilets clogged with debris. Things have been repaired and cleaned up; but we need your help. If you see something out of sorts or somebody doing things they shouldn't, contact the Police Dept. at (603) 826-5747. Be sure to check the sandwich boards and the *Charlestown Recreation Department Facebook Page* for announcements of upcoming events.

**TOWN POOL** – The projected opening date for the town pool is June 7. Come have some fun and cool off on those hot summer days. Fees are \$2.00 per person per day. Or get the summer pass for \$30.00 per person or \$75.00 for a family pass. Watch the sandwich boards for announcements of activities planned this year. Please contact Scott Bushway at 603-826-3068 for group rates for private events, the full fee and swim lesson schedule is available on the town website.

**ZUMBA** – Unfortunately, due to injury to the instructor, this program is on hold. We will let you know as soon as possible when this program will resume.

### **CHARLESTOWN RECREATION DEPARTMENT FACEBOOK PAGE**

Please continue to check the Facebook page for all announcements of upcoming events and posts showing the great time had by all.

**SUMMER SAFETY** – Protect against sunburn with sunblock, especially the kind that can withstand sweat and swim. Stay hydrated with lots of water. Provide adequate supervision for your children at all times. And **never** leave children or pets unattended in a car.

**VOLUNTEERS** - Volunteers are always needed to help coach, groom fields, coordinate events, or tend the snack shack. Please contact Craig Fairbanks at [cbank51475@yahoo.com](mailto:cbank51475@yahoo.com) if you want to pitch in. Remember, it's all for the kids.

Have a great summer!
